Pegasus Spiele

Langfinger

The night is setting in slowly on the city, but not all of its inhabitants are asleep. Under cover of darkness, several scoundrels are on their way to perform their big heist tonight. You are playing the role of one of these scoundrels on the hunt for gold and art treasures. Careful planning will let you make the big haul, but be sure not to miss the right moment to cash in your swag at a fence!

A cunning game of tactics with the popular *worker placement* game mechanic. Short playing time, easy-to-learn rules.
